

TRASFORMATORI E AUTOTRASFORMATORI MONOFASE

Input: +20/0/-20/230/400Vac

Output: (A)12/0/12
(B)24/0/24
(C)55/0/55
(D)0/24/110

We can build transformers with particular features:
voltage, current and power, on customer request

Possiamo costruire trasformatori con determinate caratteristiche:
tensione, corrente e potenza, su richiesta del cliente
